If you are suffering from psychological, physical, sexual or economic violence and need someone you can talk to, someone who will listen to you, believe in you and help you:
the CENTRO ANTIVIOLENZA Belluno-DONNA, respectful of your anonymity, offers free legal and psychological advice and, if necessary, temporary accommodation to women (alone or with children) in their shelter home, whose address will remain secret.

YOU ARE NOT ALONE: you can get rid of violence. It's easier with other women.
